

Asia Protected Areas Partnership Update, October 2017

A REGIONAL PLATFORM FOR SHARING BEST PRACTICE IN PROTECTED AREA MANAGEMENT

ANNOUNCEMENTS AND LATEST NEWS

APAP poised to enter new phase

Following the third Regional Steering Committee Meeting held in August in Bangkok, Thailand, the Ministry of the Environment for the Republic of Korea will take over from Japan's Ministry of Environment as APAP co-chair as of November. New plans were also discussed at the meeting for the expansion of protected areas and the trajectory of the Partnership.

Upcoming technical event in Bhutan on human-wildlife conflict

Human-wildlife conflict (HWC) is an increasing threat to the livelihoods of rural people and to Asia's biodiversity. APAP will host a technical workshop in November to enable more effective prevention and mitigation of these conflicts.
